

Strategic Plan Projects AUG19 – AUG21

Education

- Investigate Australasian Pain School for Researchers
- Develop a Pain Management in Aged Care Workshop

Advocacy

- Continued submissions to government to promote and support pain management

Research

- Publish the Waiting In Pain 2 results

Services and resources

- Review "The Role of the Psychologist in the Management of Persistent Pain" Position Paper

Membership

- Sustaining current and growing the future membership base is an important guidance principle across the entire strategic summary
- Provide targeted networking opportunities, such as local networking events

Good governance and operations

- Complete the application for Australian Charities and Not-for-profits Commission (ACNC) registration and Deductible Gift Recipient (DGR) status
