

THE AUSTRALIAN PAIN SOCIETY

Vision:

All people will have optimal access to pain prevention and management throughout their life.

Mission:

The Australian Pain Society is a multidisciplinary organisation aiming to relieve pain and related suffering through advocacy and leadership in clinical practice, education and research.

Aims:

- To promote the provision of healthcare services for pain management
- To promote equity of access to pain management services
- To actively engage with key stakeholders and contribute to their activities
- To provide a contemporary forum to discuss issues relating to pain research and treatment
- To foster and support pain-related evidence-based research
- To share and promote the expertise of all disciplines involved in the treatment of pain
- To foster and support the prevention of persistent pain
- To promote and facilitate evidence-based pain related education for health professionals and the community
- To promote the development and use of standards and outcome measures in everyday clinical practice
